UNITED STATES AIR FORCE

## MARK A. CORRELL

Mark A. Correll, a member of the Senior Executive Service, is the Deputy Assistant Secretary of the Air Force for Environment, Safety and Infrastructure, Headquarters U.S. Air Force, Arlington, Virginia. He provides executive leadership on all matters pertaining to formulation, review and execution of plans, policies, programs and budgets for Air Force built and natural infrastructure, environmental, installation energy, safety and occupational health programs. These include facility management, military construction, utilities privatization, energy security, contingency energy, environmental compliance and restoration, occupational safety and workplace health.

Mr. Correll was commissioned in the Air Force in 1981 as a graduate of the U.S. Air Force Academy, earning a degree in civil engineering. He commanded two civil engineer squadrons, a mission support group and an air base wing. He retired in 2010 in the rank of colonel. Prior to his current assignment, Mr. Correll served as the Air Force Deputy Civil Engineer. In that position he provided leadership, direction and technical knowledge to organize, train and equip a 60,000-person engineering force as well as development, construction, operation, maintenance, emergency response, readiness, housing and environmental quality of Air Force bases worldwide. He was appointed to the Senior Executive Service in 2010. Mr. Correll is registered as a licensed professional engineer in the state of Texas.
